Seed Potatoes available in the shops Spring 2021

All potatoes are available for pre-order.

Most are in nets of 2.5kg. These are all £3 per net, the same price as last year.

Anya are in bags of 0.5kg and cost £1 per bag.

Any potatoes, not pre-ordered, will be available in the shops on a 'first come, first served' basis.

Earlies

Arran Pilot: One of the most popular varieties. Very variable in size and shape. Good yield and flavour, but needs reasonable soil conditions. Good for boiling. good resistance to scab.

Foremost: Very good cooking qualities and a gardener's favourite for flavour. Good for boiling. Resistant to scab.

Accord: High yielding, attractive, bright uniform oval tubers with cream skin and flesh. Good resistance to common and powdery scab.

Second Early

Nadine: Cream, moist, waxy flesh and smooth skin. Good for boiling, steaming and for mash. Does not lose colour in boiling.

Kestrel: Excellent flavour and disease resistance. The best performing second early and good for exhibition. Blight and scab resistant. Good for chips and roasting.

Anya: *A modern bred variety of an old- fashioned salad type with pink skin and white flesh, long and knobbly. Resistant to scab and blight.* ***Sold in 0.5kg bags only.***

Maincrop

Cara: High yielding. Good general purpose. Very good disease resistance blight/scab/eelworm).

Desiree: Excellent red type, strong flavour, waxy potato. Good for exhibition. Very drought resistant. Heavy cropper. Good for general purpose.

King Edward: Excellent cooking and eating quality.

Maris Piper: Good general-purpose variety. Eelworm resistant.

Picasso: High yielding, very attractive red-eye variety. Good keeping qualities with a mild taste. Good for general purpose.

Salad

Charlotte: Reliable, high yielding, waxy salad variety with good flavour. Easy to grow. Good for boiling and salad.

Jazzy: Large oval salad potatoes. High in flavour, low in fat. Good resistance to scab and blight.

Potatoes will be delivered to all 3 shops at the end of January 2021.
You will be informed that they have arrived via the noticeboards, the WAGA website, or Facebook.

We do not phone you to let you know they have arrived.

Potatoes are best collected as soon as possible after delivery so you can set them to chit at your home.
