

Sweet Pea Festival 2022

WAGA will be organising a Sweet Pea Festival on **Saturday 9th July 2022**. It will be held at West Tarring Allotments but will be open to all WAGA members and anyone who has an allotment in Worthing. It is free to enter. If the weather is awful, we will reschedule. It will be held close to Plot 90.

Schedule;

- Vase of 5 or more white/cream stems
- Vase of 5 or more pink stems
- Vase of 5 or more blue/purple stems
- Vase of 5 or more red stems
- Vase of 5 or more mixed colour stems (either a mixture of the other 4 colours or a flower which is multi coloured)

The National Society's website is very helpful for getting help with staging etc. We will have hands on demonstrations re staging at the West Tarring shop on Saturday 2nd and Sunday 3rd July, or if you need help on the day Janet will be around to ask.

Please bring a suitable vase or recycled type vase (eg cut off base of large drinks bottle). We will supply oasis/alternative, unless you can bring your own.

There will be prizes for 1st and 2nd in all categories plus a Best in Show. 1st prize will be £10 cash, second prize £5 cash. Best in Show will be £10 in cash. All winners will receive a certificate too.

On the day you can set up from 10am and judging will begin at 11am. Our judges are allotmenters and not professionals, so don't worry, its not judged to society standards. What we are looking for are beautiful, blemish and insect free flowers that you have grown.

There will be free refreshments on Plot 90 for anyone to enjoy, so please come along even if you are not showing. We are hoping this will be a lovely social occasion for all.

Any questions before the event please email Janet at
